Dear Mr. Leary:

This is in reference to our request for comments on the enclosed submission of a Spill Prevention Control and Countermeasures Plan (SPCC) for Ford Motor Company's Buffalo Stamping Plant located in Buffalo, New York. This facility includes two underground storage tanks (Plan items #2F and 4A). We request that this plan be reviewed in accordance with New York State Department of Environmental Conservation's underground storage tank regulations. In addition, we would appreciate any other comments you may have regarding this plan.

Please provide comments to Mr. Christopher Militscher of my staff at the above address. Should you have any questions, please contact Mr. Militscher at 201-321-6647.

Sincerely yours,

Bruce E. Sprague, Chief
Incident Response & Prevention Section
